Silicon Valley Career Technical Education (SVCTE) (Formerly CCOC)
 SVCTE is open to 11th and 12th grade students interested in a career-technical education. If you are interested in any of the vocational programs available through SVCTE, please see Ms. Andrade to complete the online application. You must attend the informational meeting this spring as part of the registration process. If you are accepted into SVCTE, you will only take 3 classes at Mt. Pleasant High School.
<http://www.metroed.net> to find out more information about their programs.

Reminders:

All students should sign up for six classes.
 Pick your electives in order of preference.
 Make sure to list alternates or we will pick for you.
