

SCHOOL LOOP Where students, teachers, and parents connect.

School Loop is a web-based learning management and communication system that keeps everyone in the *loop*. It is important that both students and parents access their School Loop accounts as this is where assignments, classes, and the latest progress reports will be available.

- **Features**

- Assignments
- All current assignments are listed in a scrollable view. Tap any assignment tile for full details.

- **LoopMail**

- Use your mobile device to view and reply to all of your inbox LoopMail messages. You may also send LoopMail to Administrators, Teachers, and additional supporting staff, e.g., Academic Counselors, Parent and Community Involvement Specialist, etc.

- **Courses**

- At a glance, view the current grade for each course. Tap any course to view your grade progress graph, list of assignments, assignments with a score of zero, and recently scored assignments.

- **News**

- All the current news published for you. Tap any news title to view its details.

- **Calendar**

- A basic list of events for now with upgrades planned for the near future.

*Parents and students can download the School Loop mobile app that is available for both iPhone and Android phones. It allows users to view all current assignments, access LoopMail, and current news. Click **HERE** to find out more.*
