

Rally Opt-out Form

The purpose of rallies at Mt. Pleasant is to foster community spirit and camaraderie among the student body and to celebrate our cultures and achievements. Rallies are mandatory but we understand that the nature of a celebratory event can, at times, be overwhelming to some students and for this reason, we provide this opt-out form to be completed and signed by the parents.

Once completed, the form should be submitted to Mr. Mosqueda, activities director no later than the day before the rally. Students with Opt-out forms will be assigned to a supervised location during the duration of the rally and will be released once the rally is over. There is no walking about privileges.
